

THE GREEN ROOM

Coaching and Spiritual Formation for Worship Leaders

An initiative from **Torn Curtain Arts**

Torn Curtain Arts exists to **strengthen the creative soul of the local church**. We work to accomplish this mission through substitute worship leading, creative consulting, and worship leader coaching. TCA's latest initiative, **The Green Room**, is designed specifically for worship leaders and church creatives.

Ministry burnout is a bigger problem than ever before. For many worship leaders, the pressure of ministry has left them feeling exhausted, isolated, and on the verge of burnout. Conferences for building better teams or crafting creative set lists are numerous, but resources to strengthen the heart and soul of worship leaders are in short supply.

Many churches and her worship leaders have traded cultivating their hearts and souls, their culture and community, for imitative models and strategies that have actually left them feeling isolated. Recent studies have shown that pastoral leaders who care for so many, are often not being cared for themselves... so much so, that 81% don't think they'll be in ministry 10 years from now. There's got to be a better way.

The Green Room is a 12-month, **small-group coaching and spiritual formation cohort** focusing on four key areas of leadership, designed to get your worship leader off the ministry treadmill for good, and back to a place of passion and vitality in worship ministry. By working through four key factors of leadership—**SOUL, HEART, MIND, STRENGTH**—their time in The Green Room will help them rest in their acceptance, discern the move of the Holy Spirit in their life and ministry, gain a deeper understanding of your specific culture and community, and develop strategies that set them free from the treadmill of chasing Sunday after Sunday!

You are receiving this prospectus because your worship leader has expressed interest in participating in The Green Room and would like their church leadership and congregation to support this investment in their spiritual health and ministry longevity. On the next page, you will find information about how your church can partner with your worship leader in this vital initiative. At Torn Curtain Arts we believe healthy worship leaders make for healthy church communities, and The Green room is a great way to help your worship leader strengthen the creative soul of your church!

Your church's financial investment in **The Green Room** can be made in one of in two ways:

\$200.00 per month for 12 months (\$2400.00 investment)

\$2,000.00 for one year (your worship leader receives two months FREE)

We understand that in this post-pandemic age many churches are still struggling to find their financial footing. Or, perhaps you have already budgeted for your worship leader to attend a conference in this or the upcoming fiscal year. We would ask that you consider setting aside the finances that might be used for a 3-4 day conference and, instead, invest in your worship leader's long-term spiritual formation by having them engage in a Green Room cohort. While the total cost is comparable to attending a national conference (when you factor in registration, travel, lodging, and additional resources), we believe the long-term benefits of your worship leader's participation in The Green Room will have a much more dramatic impact on your leader, your worship and creative teams, and your community for years to come!

Thank you for taking the time to prayerfully consider investing in The Green Room on behalf of your worship leader and your church body. If you have further questions about the focus and structure of The Green Room, you can visit greenroomleaders.com, or contact Brian Davis or Paul Romig-Leavitt (contact information can be found below). We care deeply about the local church and her leaders, and we believe this coaching platform has the potential to address a pressing need at this crucial time in the life of the Body of Christ.

Sincerely,

Paul Romig-Leavitt
